Good Morning ESF/OPS Liaisons:

Please send me your ICS-215 inputs for the Sep 22-23 Operational Period no later than 1300 today. Attached are the latest IAP, SITREP, and ES tactics lists for your reference.

Please review your ongoing work assignments and provide updated details such as specific work locations, local officials that teams will be meeting, etc.

Also, please review the IAP and advise if any changes are required to the org charts or contact information included in the ICS-205a (see attached IAP).

Let me know if you have any questions.

Thanks,

Brian
